.....and let us know.

Please feel free to circulate the quiz to anyone you think might be interested.

Normally at this time of year we would be preparing for fund-raising events aimed at supporting many local good causes, but under current circumstances that's not possible.

One of the charities we support is Hertfordshire Mind Network

'We deliver essential mental health support. We create opportunities for individuals experiencing mental ill health to make choices, find their solutions, build resilience and manage their whole life and wellbeing. Our services are based on the principle of self-help with a strong emphasis on prevention, personal development, self-management and improving health and wellbeing'.
